Our stay at Villa Happy Gator in Venice, Florida, was absolutely fantastic! We felt right at home from the very first moment.
The amenities are truly outstanding. Nothing is missing. Everything is high-quality, well-thought-out, and furnished with great attention to detail. As a family, we were very grateful for the thoughtful and varied amenities in the children’ s room :)
We were also particularly impressed by the exceptional cleanliness: The entire villa was perfectly maintained and spotlessly clean upon our arrival.
Special praise goes to the owner. She was always extremely friendly, warm, and easy to deal with. Questions were answered quickly, and we always felt that she truly cared about her guests’ well-being.
We’re already looking forward to our next stay and can wholeheartedly recommend Villa Happy Gator!

This is a great rental property! The house is clean, bright, spacious, beautifully decorated, well maintained, and well stocked. The pool and lanai area is awesome! It was really nice to have the use of the garage for parking, and it is in a great location for enjoying all Venice has to offer as well as the surrounding areas. The host is accommodating, friendly, and responsive and provides a lot of helpful information on how to use and keep the house. My only suggestion is a railing near the pool steps for safety. I will definitely rent again if and when the need arises!

You really can’t complain here. The accommodations are perfect. Not far from the beaches, downtown, supermarkets, etc., and located in a quiet neighborhood, the location leaves nothing to be desired. The house is lovingly furnished; it has everything you could need. The kids were well taken care of with games, Barbies, action figures, books, beach gear, and pool toys. Everything else has been thought of as well. I’d say the kitchen is better equipped than ours at home. Plus, the villa is

spotless and very tastefully decorated. We also really enjoyed the pool and outdoor area. It’ s a place where you can truly relax. We’ ll be back.

Awesome stay. Pool area is great. Location is the central to the popular beaches, downtown Venice, and shopping. Birgit communicated with us perfectly. The little things mean a lot to us and we were very happy. We felt welcome and had everything we needed.

We spent ten days at Villa Happy Gator and felt right at home! The house is lovingly decorated and equipped with everything you need (including everything for a day at the beach). We especially loved the pool and the pool deck. The location in Venice is also great. By car, it takes no more than 10 minutes to get to the beach, the park, or one of the many shopping destinations. We highly recommend Villa Happy Gator and will definitely be back!

What a beautiful house–it has everything you could want and more. We stayed there for a week in June 2024, and it was far too short because we felt so at home. Our two kids loved it here, too–especially the pool. If we can afford to come back to Florida again, we'd love to stay at Villa Happy Gator once more.

A wonderful house.
Very beautiful and tastefully decorated.
Everything you could need was there... from pots and pans, dishes, plastic takeout containers, cookie jars, etc., to clips for sealing bags, spices, oil, and bags (and that's just a small selection of the things found in the kitchen).
They even provided adapters for the outlets, plenty of towels, pool/beach towels, extra washcloths for removing makeup, cotton balls....
Plus all kinds of toys, air mattresses, pool noodles, books, games, DVDs.... everything you need to feel right at home.
Electrical appliances come with brief instruction manuals in German (very handy).
The pool has colorful lighting, which our son especially loved 😊
The house is lovingly furnished, the beds are nice and comfortable, and the walk-in closet was a dream come true for me 😊.
Everything you need for the beach is provided.... whether it's beach mats, chairs, lounge chairs, umbrellas, coolers, or ice packs–it's all there.

There are bicycles (but we never got around to using them−we were always out and about, and we never got bored).
The house is located in a residential area. It’ s not far from any shopping options.
The host took excellent care of us and provided us with great tips even before our trip.
Bottom line: a really beautiful house, with great furnishings and a nice neighborhood.

This house was wonderful for us, and is located very close to many beaches on the west coast. We primarily visited beaches and used the pool, and everything was great. we truly like the fact that it was 10 min drive to the beaches near by. They have a great pool, the inside of the house had everything you will need. The only down side is the check in being at 5pm. You don't really have too much time to do anything , most places check is at 2pm which will give you sometime to enjoy the beach or the pool. Overall its beautiful home, great pool and great communication from the property manger. We would stay again if we had a chance. Thank you. Sincerely Ayala family

the price is higher than in the website
We have rented this house for 3 days. But 1 day payment is waste because check-in time is 5pm and check-out time is 11am. Also the last day thre pool circulation system was not working. We couldn't use the pool. We have rented this house bc of privacy. One day, pool cleaner guy came suddenly and spent half an hour for cleaning. Our 1 day price went to cleaning time and we paid 1 extra for cleaning. We

arrived here around 2:30 and no one was here for cleaning. They arrived around 3 and text us back that they are done around 4:15. In one of the emails they informed us to wash towels and bed sheets, dishes, tidy up, throw the garbage, clean the oven etc. The plus sides are the house has all the kitchen ware, towels, even shampoo and stuff. If you are okay with using those you can just pack your clothes and food and spend your time here. There is a free pass for the beach. There are bicycles. It is closed to wawa and walmart. Overall, the trip was not soo bad but i feel like the extra fees are a bit too much for the service you get. Normally when you go to a hotel for 3 nights, it becomes like 4 days but here 3 nights are like 2 days.

My answer:
Sorry that your stay did not meet your expectations - although there was nothing I could have done about it. The check-in and check-out times are clearly defined as well in the listing as in the rental contract. I thought you would appreciate that my cleaning crew did everything to let you check-in almost an hour earlier. Also you left almost an hour later. The pool electric was in perfect order, as the pool company and the guests right after you confirmed. The cleaning was done by our crew. And thank you for mentioning our Homepage - although you might have overlooked, that you had been given a special last minute price that was way under our standard rates on the homepage.

We loved our 2 week stay, and would definitely return if the opportunity arose. The house is in a normal neighborhood, not a fancy touristy spot. However, it is close to everything! The pool is great, the house is very clean, comfortable, and nicely done! There are several beaches close by, and we visited most of them. Our favorite was Manasota Beach (where we happened to swim with 2 manatee) and it’s about a 5 minute drive from the house.

We thoroughly enjoyed our stay at Villa Happy Gator. From the moment we walked into the house we felt at home and comfortable. No detail has been overlooked in making the house welcoming for guests. The kitchen has everything you need to cook and eat at home and the bathrooms are modern and beautiful. The pool area is spectacular and feels very private even though there are other homes nearby. Clean and welcoming home away from home

Our family spent three days here and thoroughly enjoyed our time. The home is tucked away in a residential area away from the noisy streets. You can tell the owner takes pride in this home as it was exceptionally clean and well maintained. She was also great at sharing information regarding the area, the home itself and even the weather! We were arriving at a time when the red tide had been affecting the beaches. We really lucked out in our timing and were able to spend some time on a private part of Caspersan beach. The kids are still talking about this place. Thank you for opening your home to us.

Very nice cosy villa in quiet neighbourhood

My wife and Irene and I enjoyed a wonderfull stay in a new cosy comfortable villa in a quiet neighbourhood in South Venice. The house is 2 years old, nice modern interior, fully equipped kitchen. And if you like to visit the beach..... the full equipment for a succesfull day on the gulf is readily available in the garage. If you like to stay at home, a nice pool and a comfortable pooldeck with lounge chairs is awaiting you.

The landlady, sympathetic Birgit from Germany, responds very fast if you have questions on your booking and other uncertainties if you have some!

All in all a great experience, we gladly booked again in the fall 2019 and spring 2020.

Birgit, thanks a lot for renting your lovely home! Ron and Irene

Einfach traumhaft, als Wiederholungsbucher fallen einem auch die vielen vielen kleinen nochmaligen Verbesserungen auf. Deswegen ist auch schon unser nächster Urlaub in diesem Haus gebucht.

Tolles Haus in pefekter Lage

Bei diesem Haus stimmt einfach alles! Perfekt in South Venice gelegen, nur wenige Minuten von den wichtigsten Einkaufsmärkten (Publix, Walmart, Target, ...) und der kleinen Fähre zum tollen Privatstrand entfernt. Das Haus ist sehr gepflegt und blitzsauber, man kann sich vom ersten Moment an einfach nur wohlfühlen. Besonders toll fanden wir die schöne und großzügige Poolanlage mit vielfältigen Sitzmöglichkeiten. Besonders hervorzuheben ist die tolle Betreuung durch die Vermieterin. Bereits im Vorfeld der Reise erhielten wir viele nützliche Infos, vor Ort wartete ein netter Willkommensgruß und auch nach der Abreise wurde die Kaution blitzschnell erstattet. Wir kommen bestimmt wieder!

Wir waren über drei Wochen in diesem tollen Haus. Gerade auch unsere zwei Mädels (1 und 3) haben sich hier richtig zu Hause gefühlt. Es hat einfach alles was man bracht, ist mit liebe zum Detail eingerichtet und der Pool ist genial.
Die Lage ist sehr gut, man erreicht alles sehr schnell(Strand, Publix, Venice).
Und ganz speziell gut und mit liebe fanden wir die „Betreuung „ unser Vermieterin. So etwas ist nicht alltäglich!

Owners pretty much thought of everything in accommodating their guests. Great Italian food in this town! Fantastic NY pizza close by at Mama Maria's . . . and a new WAWA is only about a mile away, for great hoagies! We were here for a month and time just flew right by. Boo Hoo. Thanks.

Perfect Florida Vacation Getaway

From the moment you walk in, you are delighted with the house. It is clean and annointed with every need down to the perfectly organized drawers in the kitchen. A hostess gift of wine and peanuts is left for you. The basics are provided such as paper towels and Toilet Paper so you don't have to run to store immediately. The pool and backyard are gorgeous. Best of all it is located to so many things including the adorable village of Venice which is blocks from beach. We went to Ringling museum, Spanish historic site and even saw a play at Venice Community theater. The neighborhood is quiet and there are many stores near by. The house is equipped to make anything you want for your meals if you choose to stay in. Overall, this is a keeper and would suggest in a heart beat. We had a great time.

Eigentlich kann man es ganz kurz machen besser geht es nicht. Es hat an absolut nichts gefehlt und Birgit die Vermieterin war immer für einen da. Auch die Hausverwaltung einfach top. Was will man mehr als Urlauber. So was ist Urlaub von der ersten bis zur letzten Minute. Nicht umsonst fallen die Bewertungen so positiv aus. Man möchte am liebsten nicht mehr weg.

Wir haben 5 wunderschöne Wochen hier verbringen dürfen und die Kids haben nach Ausflügen immer gefragt wann wir wieder zu hause sind - und meinten damit nicht Deutschland. Es fehlt an nichts wir haben uns sehr wohl gefühlt und würden jederzeit auch wieder kommen. Der Privatstrand ist ein Paradies, wo findet man so eine ruhige Ecke an einem tollen Strand heutzutage noch? Haben dort Delfine und Schildkröten gesehen. Haifischzähne ohne Ende gesammelt. Wir nehmen nur gute Erinnerungen mit nach hause. Vielen Dank für diese tolle Zeit.

Toll gepflegtes und perfekt eingerichtetes Haus. Super Pool, schön umzäunt sodass man sich unbeobachtet fühlt. Publix und Wallmart 5 Min, Mehr als ein halbes Dutzend Strände 10 - 20 Minuten Fahrzeit. Das hat man weiter im Süden gar nicht!

Ein Traum!
Neues super gepflegtes und toll eingerichtetes Haus. Birgit und ihr Mann haben wirklich an alles gedacht und es ist alles vorhanden was man in einem Urlaub braucht. Man fühlt sich wirklich zu Hause nur das man eben im Urlaub ist. Es ist alles super sauber - und ich bin wirklich pingelig.
Man hat eine tolle Privatssphäre weil der Pool nicht einsehbar ist.
Die Lage ist perfekt nur ein paar Minuten zu den Supermärkten und 10 Minuten zu verschiede Stränden!
Darunter befindet sich auch ein Strand auf einem vorgelagerten Key, was man nur über eine Fähre erreichen kann - und die wiederum ist nur für die Anwohner des Wohngebietes.

Die Besitzerin war im Vorfeld und auch als wir vor Ort waren unheimlich hilfsbereit und hat noch viele Tipps gegeben, und alle unsere Fragen sofort beantwortet. Auch der Hausverwalter René und seine Frau sind klasse.
Wenn alles gut geht und wir unseren Urlaub genehmigt bekommen sind wir nächstes Jahr wieder drei Wochen dort.... {ich sollte es also nicht zu sehr weiter empfehlen sonst bekomme ich am Ende kein Haus}
Ich wünsche allen Urlaubern im Happy Gator eine schöne Zeit und dass ihr mir auch das Haus gut behandelt!!!!

Sensationell

Hell, sauber, Nett, tolle Lage! Schon allein die Planung war super - Birgit hat um total viele Tipps und Tricks gegeben - selbst das wir vor Ort machen durften wir sie täglich Löchern. :-) Das Haus haben wir absolut gepflegt und sauber vorgefunden. Ich bin was Hygiene und Sauberkeit geht sehr pingelig - aber hier hatte ich wirklich überhaupt keine Probleme mich in das frisch gewaschene Bett zu kuscheln. Die Lage ist einfach toll - innerhalb von 10-20 Minuten kann man so viel verschiedene Strände erreichen ... kleine privater Naturstrände oder auch etwas lebhaftere wie Siesta Key. Schnorcheln, Schwimmen, Kanu fahren ... Shoppen... Aber auch die Kulinarik kam nicht zu kurz.... gerade für Liebhaber der italienischen Küche ist venice optimal .... aber auch kleine und feine Fischrestaurants und die typischen amerikanischen Restsurants haben nicht gefehlt!! Ich kann es kaum erwarten bis unser Urlaub genehmigt ist damit wir gleich wieder buchen Können! Danke Das ist hier noch Vermieter gibt die wirklich wird auf ihr Haus legen.

Wir kommen ganz sicher wieder....

Es begann schon bei der Buchung, ich hatte ein sehr nettes Gespräch mit der Eigentümerin und wir waren uns fix einig. Auch der Vorlauf zu unserem Urlaub war sensationell, wir bekamen Tipps und Adressen jeglicher Art (Attraktionen, Restaurants, Strände oder wo man am Besten einkaufen sollte). Somit hat es uns an wirklich nichts gefehlt und der Urlaub konnte kommen. Als wir (zwei Pärchen, also vier Erwachsenen) dann im Haus angekommen sind, waren wir einfach nur begeistert. Zur Begrüßung gab es Wein und Nüsse, außerdem ein Anruf vom sehr netten Hausverwalter (René) Vorort. Nicht nur das wirklich an alles gedacht wurde (z.B. alles für den Strand, 4 Fahrräder oder Spielzeug für den Pool) und auch alles sorgfältig beschrieben ist, nein, es ist einfach auch so schön im Haus. Wir kamen, sahen und fühlten uns sofort genauso wohl wie Zuhause (nur halt mit gutem Wetter und eigenem Pool 😉). Wem es hier im Haus an was fehlt, dem kann kaum mehr geholfen werden (dies ist meine Meinung). Wir fanden es alle vier einfach nur Traumhaft! Die Pool-Landschaft ist einfach nur wunderbar und das Wasser war mit 29-31 C immer optimal temperiert, was aber an den angenehmen Temperaturen im Mai lag und nicht an der Pool-Heizung (aber auch diese wäre vorhanden gewesen, nur halt nicht nötig). Auch der Privat Strand, den man mit der für Mieter des Hauses kostenlosen Fähre anfahren kann, hat uns sehr gut gefallen (da wir es eher ruhig mögen). Doch jeder Urlaub geht einmal zu Ende und wir mussten uns von diesem traumhaften Fleckchen verabschieden, sind uns aber alle einig: Wir kommen wieder!!! Und da dies alles noch nicht genug ist, bekommen wir 3 Tage nach unserer Rückkehr einen Anruf der Besitzerin in dem sie uns fragt ob alles ok war und anfragt wohin sie Kaution überweisen solle. Nichts mit Geld hinterherlaufen! 👍 Ich kann

dem Haus und auch dem Service hier in Germany und vor Ort in Venice mit ruhigem Gewissen 5 Sterne geben. Danke für einen wunderschönen Urlaub!

A Perfect Getaway!

This was an absolutely perfect getaway--in absolutely every respect. The home is completely accommodating; thoughtfully welcoming, and with such attentiveness to the countless nuances of the household which could so easily be overlooked when traveling--there was not a single comfort or necessity we were without during our stay. Birgit and Uwe have provided a foothold to another world. The location is ideal--off the thoroughfare and close to both the wild and the civilized; a bike ride and a private ferry across the bay to an unspoiled idyllic gulf beach, and a minute by car to every domestic item and service South Venice Beach has to offer--and convenient to so many options to explore: a multitude of parks and natural areas and open spaces within minutes, as well as dining, nightlife, and shopping experiences close by in every direction. And we were so fortunate to have truly marvelous Florida weather during the week: moderate temperatures, minimal humidity, a mild cool breeze and frequent modest clouds, and perfectly clear skies--the visibility was astounding. And the pool! Wunderbar! Our time at the Villa Happy Gator is an experience that will stay with us.

This property is convenient to everything Venice has to offer. We often spent early mornings walking nearby beaches or riding bikes along the beautiful trails in Shamrock Park. Later we would return to relax around the lanai, swim in the pool, and grill dinner. We had a five star experience.

Das Haus bietet alles, was das Herz begehrt. Es ist sehr gepflegt, wird optimal "umsorgt" und die Vorort-Betreuung ist einfach toll und unkompliziert. Die Beschreibungen des Hauses trafen genau zu und wir hatten einen sensationellen Urlaub. Die Raumaufteilung ist gut durchdacht, pflegeleichte Fliesen auf allen Böden und eine sehr geschmackvolle Einrichtung mit viel Liebe zum Detail. Die Ausstattung lässt keine Wünsche offen und die XXL-Poolarea war unser Lieblingsplatz. Einzig das Bett war für uns zu weich, aber das ja ist Geschmackssache. A new Pearl in Venice

We last visited Venice 8 years ago and planned to explore more of the area but found the villa so peaceful and relaxing that we never ventured far. The villa is brand

new and has been wonderfully furnished throughout to a very high standard. The master bed is huge and very comfortable. Birgit has tried to think of everything you could possibly need to make your stay comfortable. The pool area is a joy! The pool itself slopes from both ends to the centre which makes it very easy to play pool volleyball. The trees at the rear are full of colourful and vocal birds including "Cyril the squirrel" who walked the telephone and power lines daily. The shaded lounge area is fantastic on a hot sunny day when needing to cool down. Shops such as Publix and Walmart are just a few minutes away and its only a 10 minute ride into town to some fantastic restaurants. We thoroughly enjoyed our stay here at Alligator Drive and are sure you won't be disappointed staying here!

Wunderschönes nigelnagelneues Haus

Wir hatten dieses Haus gebucht, bevor es überhaupt fertiggestellt war, nicht zuletzt auch aufgrund des überaus freundlichen Kontaktes mit der Eigentümerin, die uns ab diesem Zeitpunkt am Baufortschritt der Villa teilhaben ließ. Und unser Bauchgefühl hatte uns nicht im Stich gelassen, denn wir fanden ein Haus vor, das wirklich keine Wünsche offen ließ. Die Villa ist sehr geschmackvoll und mit viel Liebe eingerichtet. Besonders der Poolbereich ist fantastisch. Durch die perfekte Ausrichtung hat der Pool den ganzen Tag Sonne und auf der Terrasse findet man auch genug schattige Plätzchen. Dank des tollen Grills, der bequemen Lounge Ecke und der stimmungsvollen LED-Poolbeleuchtung verbrachten wir draußen wunderschöne Abende bei Vogelgezwitscher und Grillenzirpen. Für Strandausflüge ist alles vorhanden und auch an Kinder wurde mit ausreichend Pool- und Strandspielzeug gedacht. Selbst im liebevoll eingerichteten Kinderzimmer fand unsere Tochter mit Begeisterung Malbücher und Buntstifte vor. Die Lage des Hauses ist auch gut, zentral und dennoch in einer ruhigen Wohngegend und man erreicht Supermärkte (z.B. Walmart, Publix) und verschiedene Strände in wenigen Autominuten. Von dem naturbelassenen "Privatstrand", den man mit dem kostenfrei zur Verfügung gestellten Fährpass erreicht, waren wir auch begeistert, da er sich als eine echte Fundgrube für die berühmten fossilen Haifischzähne herausstellte. Die Betreuung vor Ort durch die Hausverwaltung war freundschaftlich, nett und sehr professionell. Wir möchten Frau

Laniewski nochmals für di e absolut zuverlässige und problemlose Abwicklung der Mietformalitäten und den überaus freundlichen Kontakt vor, während und auch noch nach unserem Aufenthalt danken. Fazit: Empfehlenswert in jeder Hinsicht.
